

Directions

Find the junction between the A49 & A54 (in Cheshire). From that junction you head towards Tarporley. Very soon after the junction you will see a turning to the left heading towards Oulton Park Race Circuit. Turn here. Go down the road to the end (about 1 mile). Turn left at end, and then take next right down private road. Follow for about .5 mile (watch the speed bumps). At the end of the tarmac road you will see our barn and car park on your left.
